President's Report

Wow what a busy month our club has had. We started this month's activities with the DV Breakfast organised by Luke Howarth, at which Senator Mikaelia Cash, Minister for Jobs and Innovation spoke. Mikaelia was inspiring and showed us a fine example of what women can achieve. One of the guests donated \$1000 to our club DV funds. Next we had the very successful Night of Hope event with those attending having a great time. A special thanks to Sammy and her committee for organising such a fun event. Next came the Birthing Kit Assembly day where we put together 2000 kits. This was a community event which involved members of Zonta, residents of The Village, students and staff from Grace Lutheran College, Hon Zons and friends of Zonta. Gail Jennings enthusiasm for this cause is infectious. A job well done. Thank you Gail and all Zontians who helped in lots of ways. Then there was the Redcliffe Garden and Lifestyle Expo where we had a stall at which we sold lots of homemade goodies and some craft items. A special thankyou to the Zontians who cooked and volunteered at the stall. Lastly, one Saturday, we held an information stall at Marne Parade Redcliffe

All the above activities involve a lot of effort and time but the benefits are many. They brought in finance to assist the Club in achieving its aims in the community, both locally and abroad, they place the name and activities of the Zonta Club of Redcliffe in the community and they attract new members.

Of these benefits I would like to focus on membership. People see what we are doing and some would like to be involved. The Membership Committee is now following up on quite a number of membership enquiries as a result of these events.

Zonta International has been bringing professional women and men around the world together for the common mission of empowering women since 1919. Whether you join for professional advancement, personal mission, or social reasons, you will help create a better world with Zonta.

Rewards of membership - leadership, global impact and friendship

As a member of Zonta International, you can expect to be a part of a greater movement to help women in your local community and around the world.

You will:

- ☑ gain opportunities to be actively engaged in local service
- ☑ participate in local and global advocacy activities
- ☑ develop leadership skills, promote personal growth and develop self confidence through participating actively in committees and accepting leadership roles.
- ☑ network with like-minded individuals around the world
- ☑ share cross-cultural experiences
- ☑ enhance your understanding of global issues and
- ☑ build lifelong friendships.

Wouldn't it be great if we could attract 10 more members this year. The benefits would be great for the community, both locally and further afield, our club and ourselves as members.

100 Years of empowered women

Nearly 100 Years ago, founding member Marian de Forest dreamed of an Organisation that would bring together women in executive positions and help them reach their rightful places in the professions that rarely had women leaders. Since the creation of Zonta International in 1919, our members have dedicated the last century to empowering women both in and outside of Zonta. To celebrate these achievements Zontians around the Globe will take part in a two year celebration to honour the past while heralding the future. Join us in our centennial celebrations and follow the festivities all the way to Chicago in 2020.
