President's Report

Our recent Night of Hope function enabled our club members to **gain opportunities to be actively engaged in local service** by raising money for the Redcliffe Hospital Oncology Unit. Pauline and I presented a cheque for \$4000 to the Unit on 6th September. The people there were very appreciative of our donation and are organising a plaque to acknowledge our long association with them through provision of funds and the making of breast cushions and turbans.

On Saturday, 15 September, I attended a District 22 leadership meeting. It was excellent to be able to meet with like minded Zontians who are experiencing the same sort of successes and issues as our club.

We discussed the Zonta District 22 Ltd Strategic Plan for 2018 – 2020. Some areas are presented below

GOAL ONE

SERVICE AND ADVOCACY supports the continuance of the Zonta Says No initiative and incorporates Zonta's Call to end Child Marriage.

EDUCATION Promotion of the Jane M. Klausman Scholarship (Women in Business Award)

GOAL TWO

RESOURCES At least 20 % of members engage with the Leadership Development Program, and increase the number of clubs attending Area meetings and District Conferences

FINANCES All clubs donate at least one third of service funds to ZI

OPERATIONS Clubs encourage all members to register on ZI and D22 websites. All clubs have regular (monthly) communications with members

GOAL THREE

PROFILE We enhance our profile around the world through our centennial anniversary activities. This can be done through increased use of business cards and Welcome to Zonta brochures, and by hosting membership/information sessions. Also Clubs could honour people in their communities who have given outstanding achievements for empowering women.

As a Zontian—Reach out, connect and become the difference.

These were just some of the goals listed, all of which can give us room for thought.

INFORMATION FROM SANDY VENN-BROWN OUR DISTRICT 22 GOVERNOR

Many clubs are planning their 100 years celebrations. The actual birthday date is 8 November 2019. We should begin to think about this now. To celebrate our achievements, Zontians around the globe will take part in a two-year celebration to honour the past while heralding the future. Join us in our centennial celebration and follow the festivities all the way to Chicago in 2020.

Individual Membership

International Convention body passed a resolution for a pilot "individual" membership category.

The intention is for people who wish to support the work of Zonta but cannot or do not want to become a member of a club but can join Zonta International without paying Club and District dues. Work has begun to develop forms and program the database to welcome these members. More information will become available but if you know of someone for whom this may be an option please contact:

NOTE: The Zonta Club of Sandgate has changed its name to **Zonta Northside** (Zonta Club of Northside Inc.)

District 22 Service Projects

Zontians are committed to service both in their local communities and at the international level.

International projects are carefully researched and costed by Zonta International before recommendations are put forward for consideration and adoption by delegates attending the biennial Zonta International Convention.

Individual Clubs determine their local service projects in line with Zonta's objects and depending on the needs of their local areas. Service projects may be the local funding of some activity or a "hands on" service project (e.g. many Clubs support refuges for women escaping domestic violence).

Clubs are also encouraged to support and participate in District projects. District 22 currently endorses two such projects – the making and supply of breast care cushions to women across the District who have undergone breast surgery and the assembly of birthing kits to ensure a clean birthing environment for women in developing countries.

“Something to think about”

The most difficult thing is the decision to act, the rest is merely tenacity. —Amelia Earhart

What Do Yellow Roses Symbolize?

A yellow rose stands for joy and happiness, but most of all yellow roses mean friendship..
