Presidents Report – Jenny Osborne

Hi Everyone,

A busy month of July for Zonta Redcliffe. Thank-you Petra Cook for your first Service and Fund-Raising Report as Chairperson. Marie Stewart has continued as Chairperson of the Legislative Awareness and Advocacy Committee and Sue has been inducted as a Director, continuing as the chairperson of the Membership Committee. Debbie Tidswell was inducted as a member of Zonta Redcliffe at our June General Meeting. Debbie has agreed to join the Service and Fund-Raising committee. Welcome Debbie.

On 9/7/22, we held our yearly Giggle Trivia. It had been postponed in February due to Covid. Scott was in fine form and had about 110 of us giggling/laughing all night. We sold a money board raising \$400 and took over \$506 selling raffle tickets. Our net profit on the night was \$2556, with 2/3 donated to Ovarian Cancer Research and 1/3 to Zonta International. Thank-you to Scarborough Bowls Club for supplying the venue once again and also supplying a lovely buffet dinner beforehand. Thank-you to Sammy for organizing the night with wonderful assistance from our Fund-raising committee. A great night was had by all and we can't wait for the next Giggle Trivia!!!!

The Jetty2Jetty was held on 17/7/22 with 11 volunteers to man the Zonta Water Station at Apex Park. Sammy And Petra are the contacts for MBRIT during the morning. Hope you all enjoy your morning together. Geoff and I are flying out at 8:30am to Broome.

We wish Cherie and her Board and members of the new Golden Z Club of USC Moreton Bay all the very best for a prosperous future as they celebrate their Induction at the Murrumba Downs Tavern on 18/7/22. They have organized two speakers to be present on the day. Dr. Georgia Kafer of the University of the Sunshine Coast, Placentoid Laboratory and Dr. Stephan Morse CEO of Unchained Solutions, Unchaining Modern Slavery. Marie is MCing the event and Gwen Jull will induct the girls. We hope that this is only the beginning of a great relationship between Cherie and her team and Zonta. Zonta Redcliffe will always be available to assist, when required.

Dawn has agreed to chair the General Meeting on 25/7/22. Thanks Dawn. Geoff and I will be home on 2/8/22 after spending 2 ½ weeks on our Kimberley Tour...Geoff's 70th birthday present. See you all when we return.

Establishing a Golden Z Club in Greater Brisbane

How did we get here? The answer is a lot of hard work, networking whenever we got the chance, persistence and perseverance.

This has been almost a three-year undertaking, feeling passionate about Zonta, when we first found out there would be a university near us at the former site of the old

Paper Mill at Petrie, we decided it would be a great opportunity to set up a Golden Z Club on campus.

We first contacted several people in the Student Guild asking what we had to do to get a Golden Z Club at the new campus.

We then applied for and received a grant from our local Councillor Karl Winchester, Moreton Bay Regional Council Division 5 to help with the set-up costs, banners information pamphlets etc.

We had a great deal of support from different members of the Student Guild, however with Covid 19 lockdowns and restrictions and staff constantly changing, we had to continually make new connections. After nearly two years planning, we got our first big break with Student Guild officer, Sally Tsai, who was able to get us on to the campus for a market day. We were the only non-staff or students allowed. June and I braved two very cold days with an information stall and collected names. This is where we got our next big break. We met a young lady named Cherie Bushnell, who was very enthusiastic and even said she would stand for President. It was also at this day we met Dr Cheryl Livock, who joined Redcliffe Zonta, and was then our member on the ground.

Covid again struck and it wasn't for another 6 months that we were finally able to get the numbers to start, as we were once again invited to set up an information stall. The Student Guild were very supportive as they believed in what we were doing, and wanted this club to

go ahead.

Thank you to June, Cheryl & Wendy for your ongoing support, belief in the project and your willingness to go the extra mile or kilometre as it is now.

Thanks to Cherie for encouraging other students to join, we now have realised our goal of having a Golden Z Club at USC Moreton Bay. The only Golden Z Club in the Greater Brisbane area.

The UNiTE Campaign

About the UNiTE campaign Launched in 2008, the United Nations Secretary-General's UNiTE by 2030 to End Violence against Women campaign (UNiTE campaign) is a multi-year effort aimed at preventing and eliminating violence against women and girls around the world.

UNiTE calls on governments, civil society, women's organizations, young people, the private sector, the media, and the entire UN system to join forces in addressing the global pandemic of violence against women and girls. The campaign builds on existing international legal and policy frameworks and works to synergize the efforts of all UN offices and agencies working to end violence against women.

Say NO–UNiTE to End Violence against Women Orange Day

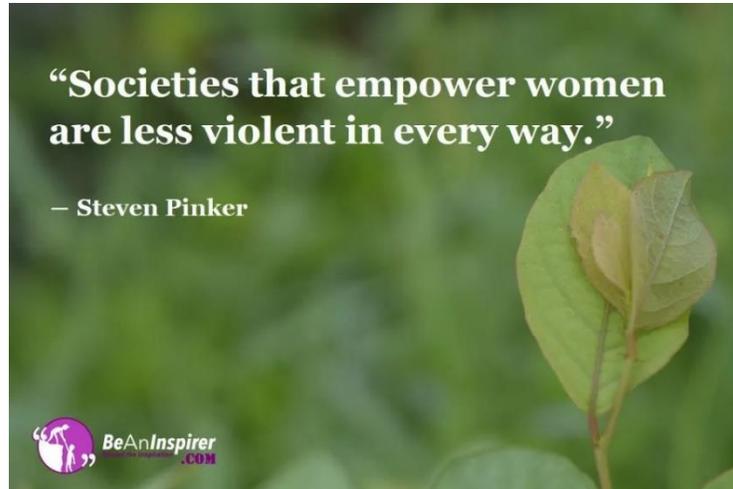

The UNiTE campaign has proclaimed the **25th of each month as "Orange Day"**, a day to raise awareness and take action to end violence against women and girls. As a bright and optimistic colour, orange represents a future free from violence against women and girls. Orange Day calls upon activists, governments, and UN partners to mobilize people and highlight issues relevant to preventing and ending violence against women and girls, not only once a year, on 25 November (the International Day for the Elimination of Violence against Women), but every month. On the

25th day of every month, Say NO–UNiTE mobilizes people around the world to support the #OrangeDay initiative. It calls on people everywhere to wear the colour orange and take action to end violence against women and girls in every community, at home, in public spaces, in schools and workplaces, during conflict and in times of peace.
