President's Report

At our last general meeting we trialled using Zoom as well as our normal dinner meeting. Two members took the opportunity to join us via Zoom as they were unable to be physically present at the meeting. This worked well and we will continue to have both alternatives.

Those who join us via Zoom will pay the meeting fee of \$5.00 as well as members who choose to attend the meeting but forgo the dinner.

This month the Belvedere forgot to add our booking to their calendar and took a booking from another group. This means we cannot have the Seaspray Room upstairs, however they will set up an area downstairs for us.

We asked also if we can pick our own meals, so please order and pay for your meal downstairs before you attend the meeting.

We will ask if they can bring the meals all together about 7.30pm. There will be a meeting cost of \$5.00 to be paid into the Administrative Account.

Although we are in different times at the moment due to COVID 19 restrictions, we are still working diligently in the background on our ongoing projects including the proposed Golden Z Club, 16 Days of Activism, prospective New Member

Meetings as well as fellowship with each other.

Marie Stewart
President 2020 - 2022

Jetty to Jetty

This year’s Jetty to Jetty Event took place on Sunday 4th October. Eleven of our Zontians and honary Zontians helped as Traffic Marshalls on the morning.

It was impressive to see the high level of participation and enthusiasm of the 4,000 plus people who participated. Parts of the main road took on a more congested look with masses of people doing a u turn. From my appointed place, I ended up assisting nonparticipants to cross the road to walk their dog/s, rather than assisting the participants 😊.

Not sure how the sunrise photograph competition went as it was a relatively uncolourful sunrise.

ZONTA INTERNATIONAL FOUNDATION

ZONTA International Foundation for Women

The foundation will now be known as the Zonta Foundation for Women

The name change reflects:

- Zonta is, and always has been, about empowering women. This new name puts our work on behalf of women and girls front and centre.
- Operating under a name that includes the word “women” will help elevate visibility and provide immediate recognition of what the Foundation stands for.

Zonta has committed US\$5 million to the program and project support for the 2020-2022 grant cycle. These funds will be used to address the root causes of gender discrimination and bring about positive and sustainable changes. These contributions will build upon the more than US\$45.9 million Zonta has already contributed to empower women and girls and expand their access to education, health care, economic opportunities, and safe living conditions.

Thank you for your support. We look forward to sharing the results of our work with you as we continue to make great strides for gender equality through our projects and programs.

Sincerely,

Sharon Langenbeck, Ph.D.
President
Zonta Foundation for Women

Established during the 2014-2016 Biennium, the Zonta Leadership Program is designed to provide Zonta members with organisational knowledge, personal and professional development and opportunities to expand their leadership.

Continuing our overview of the Zonta Leadership Program, a series of short at home modules to build on club members skills. The District has set a goal of each club having 20% of members participate in the program. Some modules would be great for senior/university level students in your family too!
